

BR-SC02E

Lightning Strike Counter

BR-SC02E lightning strike counter is suitable for all SPDs, lightning rods, etc.
It can count lightning current, and the cumulative number of lightning strikes is displayed on the counter.

		BR-SC02E
Nominal discharge current (8/20μs)	In	5kA-150kA
Impulse Discharge Current Iimp(10/350μs)	Iimp	5kA-50kA
Maximum Diameter of Down Conductor		≤20mm
Maximum Width of Flat Steel		<35mm
Thickness		<12mm
Counting Number		0-999999
Protection Level		IP65
L×W×H (mm)		100×68×70
Working Temperature		-40~ +85℃
