

BR-SC02M

Lightning Strike Counter

BR-SC02M lightning strike counter is suitable for all SPDs, lightning rods, etc.
It can count lightning current, and the cumulative number of lightning strikes is displayed on the counter.

		BR-SC02M
Nominal discharge current (8/20μs)	In	4kA-150kA
Lightning impulse current (10/350μs)	Iimp	4kA-50kA
Maximum diameter of down conductor		≤20mm
Maximum width of flat steel		<35mm
Thickness		<12mm
Counting number		0-999999
Protection level		IP65
L×W×H (mm)		132×69×50
Working temperature		-40~ +85℃
